The men's section hosted The Liverpool International Masters Tournament on Saturday 25 February, with 17 visiting teams from Ireland, Germany, Switzerland and across England contesting **The Moscardini Shield**, for the first time since 2019.

The competitions was won by long-time supporters of the event, Les Cross.

The Women's competition played for **The Dacre Cup**, presented in memory of Gordon Dacre, and was won by our home team of Liverpool Liverbirds.

With thanks to all our volunteers, the organising committee led by Simon Hooson, and the Club's committee for their support.
